8.7.1 The use of 2-way radios is permitted by the Attendants as per Part 8.6 of these By-Laws.

8.7.2 At no time during a match must an active player or reserve player be given a communication device whilst inside the playing enclosure.

8.8 TEMPORARY SUSPENSION

8.8.1 If a player is sent from the field as a temporary suspension, they shall leave the playing enclosure and remain with the team manager for a period of 10 minutes and shall not re-enter the playing area until permitted to do so by the Referee.

8.8.2 The suspension time only commences when the player leaves the playing enclosure.

8.8.3 The suspension time does not include half time, or any injury time and the player/s should not leave the sin bin area.

8.8.4 The temporarily suspended player may not be replaced by another player except should the player be a

- front row forward. In this case the suspended player is to be replaced by a suitably trained replacement. The captain of the team will direct another of his players to leave the field for the duration of the suspension.
- 8.8.5 If such a replacement referred to in Part 8.8.4 is not available and this team commits an error which leads to a scrum which it is consequently unable to contest, the opposing team will have the choice of either a free kick or an uncontested scrum. Uncontested scrums will be played when the team not capable of fielding a front row is awarded a scrum as per the Laws of the Game.
- 8.8.6 Under no circumstances shall the temporary suspended player take the field until given permission by the Referee.
- 8.8.7 The temporary suspension of a player shall be accurately reported via the RX Match Day Manager.

- 8.8.9 Players who receive 3 ‘individual’ (does not include team repeated infringements) yellow cards within the one season shall be suspended from the next competition game.
- 8.8.10 Players who receive 5 ‘individual’ (does not include team repeated infringements) yellow cards within one season shall be suspended from the next 2 competition games. This suspension is additional to the suspension in Part 8.8.9.
- 8.8.11 Players who receive an additional yellow card within one season after they have incurred the number of yellow cards referred to in Part 8.8.10 are required to appear before the Judiciary.
- 8.8.12 For the purposes of Part 8.8.8, a player receiving 2 yellows during a game and therefore subsequently ordered off the field with a red card will count as 1 yellow card.

- 8.10 UNCONTESTED SCRUMS**
- 8.10.1 All teams must have 5 players who can play in the front row to ensure that on the first occasion that a replacement hooker is required, and on the first occasion that a replacement prop is required, the team can continue to play safely with contested scrums.

- 8.10.2 Should a team not be able to meet the obligation in 8.10.1 for any reason during a game, then at that point in the match when the front row replacement is required, this team must play with one player fewer than would otherwise be allowed.
- 8.10.3 Should a team not have 3 suitably trained front row players to commence a game with contested scrums, this team must play with one player fewer than would otherwise be allowed.
- 8.10.4 If, subsequently, a qualified front rower becomes available (or returns from either blood-bin or temporary suspension) so that scrums can be contested then that player will be allowed onto the field and the team may return to the appropriate compliment of players.
- 8.10.5 If neither team has suitably trained front row players to start a game with contested scrums, the arrangements in 8.10.4 do not apply to the game, even if qualified front rowers subsequently become available.
- 8.10.6 Any Club which plays uncontested scrums in 2 or more matches in a particular grade during a season will be sanctioned under Part 1.5.
